### **About Centre for Educational and Social Studies (CESS)**

CESS is a not-for-profit organization recognized by ICSSR, New Delhi as a Research Institution. The vision of CESS is to bring about 'Social transformation with and through Education'. The key engagements are - research, capacity building and policy advocacy. We undertake deep research studies on India-centric education. It primarily collaborates with government departments, quasi-government bodies and other educational institutions having similar vision. CESS strives to draw the attention of all stakeholders, including State and Central Governments, on issues concerning education through National and State level seminars, dialogues, consultations, research publications and capacity building programmes. CESS is now deeply engaged in capacity building of stakeholders.

### **About Seshadripuram College**

Established in 1973, Seshadripuram College quickly attained a prominent position among the limited number of undergraduate colleges in Bangalore at that time. In these 50 years, the number of degree colleges in Bangalore has shown astronomical growth but Seshadripuram College continues to maintain its reputation and position. From a meagre strength of thirty students at inception, the student strength has grown substantially to more than 3000 with a commensurate expansion of the faculty. The Institution is first among the affiliated College under Bangalore University to be granted PG programs and to offer the BBA program. The college is currently affiliated to Bengaluru City University after the University trifurcation process. The institution has been Accredited with Highest Grade A++ by NAAC and regularly features among the top Commerce colleges not only in Bangalore but across the nation and is ranked high across the survey's conducted by leading national newspapers. Our students regularly secure University ranks for their excellent academic and beyond academic performances.
